

## **Get educated in 2012 at Cass County EDC**

Published: Wednesday, January 4, 2012 10:24 AM CST

New shorter workshops are available for winter months at the Cass County Economic Development Corporation (EDC) computer lab.

Excel, Website Development and Outlook are some of the choices to introduce new users to the Central Lakes College Outreach Site in Pine River. Call now to reserve a spot for one of the free workshops at (218) 947-7523 or (218) 587-2474. Limit of five participants.

The computer lab is a short term project of the Cass County EDC, whose mission is to "Improve the business environment of Cass County by encouraging a strong, diverse and sustainable economy and to build better relationships between business, government agencies and local communities."
