

Universal Template recognized during Minnesota Manufacturer's Week

Universal Templates, Inc. of Pine River was presented with a commemorative certificate from the governor on Thursday, Oct. 23, at their site in Pine River.

Universal Templates, Inc., owned by Jerry Atwater, currently has six employees designing, manufacturing and selling decorative concrete template/stamping systems.

The Cass County EDC is committed to helping manufacturing businesses locate, expand or start operations in Cass County.

The EDC worked with Universal Templates during 2006, to help expand the business and buy new equipment. The EDC has assisted 12 manufacturing businesses complete their projects during the past five years.
