Entrepreneur Day in Remer provides assistance to new business start-ups

Published: Wednesday, February 24, 2010 2:07 PM CST

Are you interested in starting a business in Cass County?

A day for entrepreneurs has been planned March 5 at the Depot in Remer. This is an informal opportunity to take the entrepreneur quiz and meet with an economic developer to discuss your business idea. One-on-one technical assistance will be provided to help you determine if your idea is financially feasible. Continuing assistance is available to help develop an idea into a business plan.

Call the Cass County Economic Development Commission (EDC) office at (218) 947-7523 to arrange a meeting March 5 between 9 a.m. and 5 p.m.

This session and follow-up meetings are provided at no cost, thanks to a grant from the U.S. Department of Agriculture. The Cass County EDC is a unique public-private organization funded by Cass County, local memberships and grant support, creating a "Partnership for a Vibrant Cass County Economy."
