LITTLE FALLS — The Initiative Foundation announced that it recently awarded 21 community grants totaling more than \$134,000 to support local projects.

The Cass County Economic Development Corporation in Backus received an Ah-Gwah-Ching Healthcare Campus Study grant of \$2,500 to be used by a citizen group and consultants to identify and study options in expanding a healthcare campus.

The Initiative Foundation seeks projects that strengthen central Minnesota communities and address barriers to economic development. Inquiries for applications are accepted on an ongoing basis and are generally reviewed within three weeks of receipt.
