### East Gull donates to Cass EDC, Initiative Foundation

EAST GULL LAKE CITY COUNCIL

By Kate Perkins Staff Writer

The city of East Gull Lake made two donations in the month of March; one to the Cass County Economic Development Corporation and one to the Initiative Foundation.

The Cass County Economic Development Corporation was given \$1,000 in response to donation requests. The corporation's website states that they are a non-profit corporation that helps businesses start, expand or relocate in Cass County.

City Administrator Brenda Thomes said the council acknowledged that East Gull Lake receives indirect benefit from the corporation's work around the county.

The Initiative Foundation was given a donation of \$450. The Initiative foundation states that its purpose is to improve the quality of life in central Minnesota.

The donations were approved at the council's regular meeting Monday, March 5.

In other business, the council:

- Announced that it will be accepting bids for the 2012 airport mowing contract. Mowing will be required twice a month or as needed. Bid packets can be picked up at city hall or on the city's website. Bids will be accepted until March 30, and will be discussed at the council's April 3 meeting.
- Tabled the B-Dirt preliminary plat to a March 27 planning and zoning meeting.
- Discussed the possibility of installing solar-powered streetlights at the intersection of County Road 125 and the recreation area.
