New Project Update! April, 2015

Good Morning, Friends,

*Paul Baumann is the owner of a new Cass County business -- **Keep Out Pest Control, Inc.** He started in business this month.*

He contacted us to help with the development of his business plan. He was referred here by one of our local banks.

"Our relationship with the EDC made getting our small business started an enjoyable process!"

This business will be mobile based. He will do pest control for individuals and businesses. Look for his trucks driving around the Cass County area!

How does this meet our organizational mission? Paul projects 2 new jobs to be created. He wishes to extend his sincere thanks for the bank referral and the services our organization provided.

▶ TAKE ACTION

THANK YOU, EDC contributors! Your kind donations give us the funds to work with Paul and other new businesses.

*In 1997, The Cass County EDC got started because local business owners saw a need to do this work and decided to **TAKE ACTION**. They donated money to start our organization to help people **LIVE BETTER LIVES**.*

Would you consider joining or stepping up a level to help more people? Call a [Board Member](#) or our office to do so. Thank you for your kindness.

Sincerely,
Gail Levenson, Executive Director
